DO I QUALIFY?

Business Funding Eligibility Checklist

Four requirements. If you can check off all four, your file is ready for underwriting review.

1. **6 Consecutive Months of Business Bank Statements**
   Official monthly PDFs from your bank's online portal. Not accepted: screenshots, month-to-date/partial statements, or personal accounts.

2. **$2,000+ Average Ending Monthly Balance**
   $2,000+ average is the minimum floor to be considered. $4,000+ average is the optimal target for the strongest offers.

3. **6+ Months in Business**
   With roughly $4,000–$6,000+ in average monthly revenue.

4. **67%+ Ownership by the Applicant**
   If ownership is split more evenly, each additional owner submits a separate application.
